ABOUT US

Sai Balaji Infra (India) Pvt. Ltd. is a trusted engineering contracting company with more than **23 years of expertise**, delivering dependable and high-quality solutions across India. Headquartered in Hyderabad and operating across **Bengaluru, Mumbai, Pune, Vizag, and Gurugram**, the company has built a strong reputation through disciplined execution and consistent client satisfaction.

We specialize in **HT electrical works up to 66/11 kV substations** along with complete **MEP turnkey services** covering Electrical, PHE, HVAC, Fire Fighting, and Fire Alarm systems. Since expanding our capabilities in 2019, we have executed projects of various scales and complexities across multiple sectors.

Sai Balaji Infra is **highly specialized** in delivering engineering services for: **Residential, Commercial, Hotels, Hospitals, Industrial Facilities, Institutional Buildings, and Integrated Township Projects.** Our operational strength lies in our **team of 270+ professional staff and more than 800 skilled workforce**, supported by robust project management systems, strict safety protocols, and a strong commitment to timely delivery.

Sai Balaji Infra is certified with **ISO 9001:2015 – Quality Management System ISO 45001:2018 – Occupational Health & Safety Management System**. These certifications reflect our dedication to quality, safety, structured execution, and compliance with national and international standards. Our mission is to provide integrated engineering solutions that add long-term value. Our vision is to remain a preferred partner known for **quality, commitment, technical excellence, and strong client retention**.

A BRIEF NOTE ABOUT OUR COMPANY

It is a privilege to introduce Sai Balaji Infra (India) Pvt. Ltd., a company built over 23 years on trust, quality, and committed teamwork. Our growth has been driven by continuous improvement, disciplined execution, and long-standing relationships with our clients and partners.

Our strength lies in our dedicated team, whose professionalism supports our core values of **quality, timely delivery, safety, and transparency**. These principles guide every decision we make and define the way we approach each project.

As we move ahead, our focus remains on strengthening systems, adopting better practices, and delivering work that reflects reliability and integrity. I am grateful to our clients, partners, and team members for their constant support, which motivates us to achieve new milestones with confidence.

QUALITY ASSURANCE PROGRAMME

- SAI BALAJI INFRA (INDIA) PRIVATE LIMITED Quality Assurance Programme system provides a planned & disciplined approach for the achievement of the quality objectives of Sai Balaji Infra (India) Private Limited.
- This Program emphasizes the use of various verification activities which are to be performed by assigned personnel to monitor, report, prevent, deflect and correct conditions adverse to quality.
- The document describes the policies and general practices which are to be followed on all projects to implement actions required to comply with the honest possible quality, appropriate to the project.
- The Quality Assurance program is required to be periodically reviewed and if necessary, revised to meet any changes in contact requirements.
- The Quality Assurance program will provide for the generation of documentation necessary to provide objective evidence of achievement of quality objectives in all phases of the project.
- Document & Quality records testifying to the satisfactory execution of required activities of Sai Balaji Infra (India) Private Limited will be readily available to authorized personnel.

Thanking you
Fruitful Business Association with you. Yours faithfully

SAI BALAJI INFRA INDIA PVT. LTD

(ISO 9001:2015, ISO 45001:2018 CERTIFIED COMPANY)
